PROFESSIONAL WOMEN'S ASSOCIATION

JUNE NEWSLETTER 2026

"Everything good, everything magical, everything creative happens between the month of June and August".

Dear **Inspiring PWA members**, as we head into summer, we want to take a **moment to celebrate** what has been an incredible year for PWA. Thanks to the **energy, generosity, and support of our members**, we have continued to grow as a community of women who inspire, encourage, and uplift one another.

For me personally, summer is always a time to recharge, relax, and reflect on what truly fills my soul with happiness. It's a season to slow down a little, appreciate the people

around us, and focus on the things that bring us joy and balance. I hope each of you finds time this summer to do the same.

We are especially excited to close the season together at our **Summer Party on June 11th** at the Rome Golf Club. It will be a wonderful evening to connect, celebrate friendships, and recognize the women who have gone above and beyond this year to support PWA and our mission. Their dedication, time, and enthusiasm have made such a difference, and we are deeply grateful.

We are also pleased to announce the launch of our **Early Bird Membership Renewal for the 2025–2026 season. Members who renew before August 1st can take advantage of the special rate of €135.** We hope you'll continue this journey with us as we look forward to another exciting year of events, learning, networking, and community. **For new PWA members we have a special Early Bird rate of € 165 ending August 1st.**

Thank you for being part of PWA. We can't wait to celebrate with you on June 11th and look ahead to all that's to come.

Remember to save the date for our **Welcome back aperitif on the 16th of September.**

Happy Summer!

With gratitude and admiration,

Catherine and the PWA Board!

Another inspirational interview written by our very own talented and inspiring Leadership writer **Danielle DeVine**.

📌 Read the full article on our homepage or via the link below. Here is an excerpt in the meantime...

What advice would you give to young people entering the workforce today?

"The job market is becoming increasingly difficult and unpredictable. Many industries are not hiring, and AI is replacing a lot of entry-level roles. This is breaking the social contract between employers and young people."

☕ Take a moment, grab a coffee, and be inspired. ✨
Thank you Danielle!
